Congratulations!

To Senior All-America Players:

On behalf of Corrigan Sports, I am pleased to congratulate you for being selected to participate in the **2026 New Balance All-America Lacrosse Game**. You are now one of the most visible athletes in lacrosse. The All-America weekend promises to be a truly memorable experience. This information packet provides an outline of activities and responsibilities concerning your participation in this event.

This year's event marks the start of a third decade for All-America Lacrosse. We are hosting this edition of the Senior games at Towson University's Johnny Unitas Stadium. The Senior games will be played on Saturday, July 25. The girls' game will get underway at 5:30 pm, immediately followed by the boys' game at 8:00 pm. Both games are scheduled to air live on ESPNU. This is your opportunity to perform in front of the entire lacrosse community, including a national television audience.

Travel Planning

Each player is responsible for arranging their own travel to and from Baltimore for the event. Please plan to arrive in Baltimore no later than Friday, July 24 and check-in at the headquarters hotel (Royal Sonesta Harbor Court) between 9:00-11:30 am. Please make your travel plans as soon as possible to ensure a timely arrival.

Players will be provided a complimentary room at the headquarters hotel for the duration of the event. Each player is required to stay at the hotel and will be assigned another player as a roommate. A dedicated room block is also available for families at the same hotel. Parents, and other family members, are responsible for their own travel and hotel expenses. Details can be found on the Travel Information page (Page No. 5).

Health Protocols

While public health conditions are not the concern that they were just a few years ago, the management of live events requires us to establish precautions that will keep all participants safe. We ask participating athletes to monitor their health. If you experience any cold or flu-like symptoms prior to the event, please seek medical attention and notify us. This event will adhere to any applicable federal, state and local public health guidelines.

Event Schedule

A preliminary event schedule can be found in Section No. 3 of this packet. Players **MUST** attend all activities as scheduled. Once each player checks in with the event organizer at the hotel, all overnight accommodations, meals and transportation will be provided. All players must attend the Welcome Dinner on Friday, July 24 and are responsible for purchasing a ticket in advance through the online registration process.

IMMEDIATE ITEMS TO DO

- ✓ **Each player must complete a brief survey indicating their preferred sizes for apparel and footwear, preferred game jersey and shipping address. The survey link is provided in Section No. 2.**
- ✓ **A Registration Link is provided on Page No. 7. Each player must log-in and register for the Senior All-America Game. Your biographical information and photo will be used for the event website and souvenir game program. Please complete the registration process as soon as possible.**
- ✓ **If you sustain an injury or illness that prevents you from participating in the event, please notify us immediately.**

Once again, congratulations for receiving this honor. We look forward to seeing you in Baltimore this July.

Sincerely,

Andy Bilello
Vice President of Events
Corrigan Sports Enterprises
